Different verses from country to country, what message did Iran want to convey?

Diplomatic discussions have begun in the country over the recitation of verses from the Holy Quran in front of delegations from various countries during the state funeral for the late Supreme Leader of Iran, Ayatollah Ali Khamenei. According to analysts, the selection of verses recited was symbolic and through this, Iran has tried to convey its own political position and message to various countries and allied groups. However, the Iranian government has not given any official explanation on this matter.
