NATO's Rutte stresses democratic rights after Turkey's pre-summit crackdown

Turkey will host leaders from the 32 allied countries, as well as officials from NATO's partners, in Ankara for a summit on Tuesday and Wednesday

The Business Standard

Gold falls from three-week high on profit-booking, firm dollar

Gold prices fell on Tuesday as investors booked profits after bullion rose more than 2% in the previous session, while pressure from a stronger dollar also weighed on the yellow metal. Spot gold fell 0.8% to $5,189.99 per ounce by 0125 GMT, snapping a four-session winning streak and dropping from

The Financial Express

At least 25 people die in severe heatwave in the United States

A record heat wave has battered vast swathes of the United States. At least 25 people have been killed in the country so far in this extreme weather caused by climate change. The state of New Jersey has suffered the most fatalities.
The Guardian reports.
