Absenteeism in scholarship exams has increased, reason being investigated: Education Minister

The rate of student absenteeism in the primary scholarship examination has increased abnormally this time, said Education and Primary and Mass Education Minister Dr. ANM Ehsanul Haque Milon. Noting that attendance has decreased significantly in all three educational institutions - government, madrasa and technical - he said that the government is seriously investigating why so many students did not participate in the examination. Necessary steps will also be taken to increase participation in the future.

UCB faces the challenge of selling shares of 9.10 taka for 10 taka

United Commercial Bank (UCB), once one of the strongest private banks, is now in a major financial crisis. Non-performing loans have exceeded Tk 10,000 crore, and the capital deficit has reached about Tk 1,300 crore. To partially meet this deficit, the bank has taken the initiative to raise Tk 775 crore from the stock market. However, a big challenge has arisen at the beginning of that initiative. While the price of each UCB share in the market is Tk 9.10, the right shares will be sold to existing shareholders at Tk 10. As a result, questions have arisen in the market about how successful this share issue will be.
