Hormuz crisis deepens, US-Iran face-off

Military tensions between the United States and Iran over the Strait of Hormuz have intensified. The United States has carried out airstrikes in various places in Iran for the third consecutive night. In response, Iran has claimed to attack US military installations and targets of interest in the Gulf region. As a result, the security situation in the Middle East has become a new concern. Al-Jazeera reports.

Fee dispute, licenses of 60 insurance companies not renewed

United Commercial Bank (UCB), once one of the strongest private banks, is now in a major financial crisis. Non-performing loans have exceeded Tk 10,000 crore, and the capital deficit has reached about Tk 1,300 crore. To partially meet this deficit, the bank has taken the initiative to raise Tk 775 crore from the stock market. However, a big challenge has arisen at the beginning of that initiative. While the price of each UCB share in the market is Tk 9.10, the right shares will be sold to existing shareholders at Tk 10. As a result, questions have arisen in the market about how successful this share issue will be.
