Wider safety net to cover 10 lakh more next year

The government will increase the number of beneficiaries of various social safety net schemes by at least 10 lakh from fiscal year (FY) 2025-2026, but allowances will see a small increase, although poor groups have been facing stubbornly high inflation for years.

The Daily Star

Canada's inflation shoots up to 2.6pc as sales tax break ends

Canada's annual inflation rate showed a surprise jump to 2.6% in February, surpassing expectations as a sales tax break that ended in the middle of last month pushed prices higher amid an already broad-based increase, data showed on Tuesday. This is the first time in seven months that the rate of

Bangladesh underperforms in zero-duty trade with China

Bangladesh has hardly been able to utilise the generous zero-duty trade benefits offered by China due to a lack of product diversity, whereas Chinese imports have steadily risen, given the country's increasing reliance on a single sourcing destination.

The Daily Star

Govt moves to halt yarn imports through land ports

Apparel exporters have expressed concerns that restricting yarn imports through land ports could negatively impact small and medium-sized factories
