2025's top grossing mobile games so far

Mobile games continue as one of the most coveted pastimes. More people are spending time playing games on their smartphones than ever. With over 3 billion players worldwide, the mobile gaming industry is thriving. Last year's (2024) 3 trillion gross revenue from the mobile-phone-gaming industry makes the current year even more optimistic. Let's delve into 2025's...
